Selection Vega Sicilia

Vega Sicilia was founded in 1864 in the picturesque region of Ribera del Duero and has since earned an almost mythical reputation. Nestled among rolling hills and ancient vineyards, true masterpieces are crafted with passion, patience, and a touch of mystery—such as the legendary "Unico," which has captivated generations of connoisseurs for decades. Its unmistakable character and exceptional depth make it one of the most sought-after wines in the world. Today, under the leadership of the Álvarez family, Vega Sicilia preserves its heritage, seamlessly blending tradition and perfection in a truly magical way.

Selección Abadía Retuerta

The connection between Vega Sicilia and Abadía Retuerta lies primarily in their shared past and geographical proximity. Between 1952 and 1966, the abbey belonged to the same owners as Vega Sicilia. However, while legendary wines were already being produced there, no wine was yet made at Abadía Retuerta. Today, the two wineries are located just about 10 kilometers apart along the famous "Golden Mile" in the Ribera del Duero region. With the establishment of the "Abadía Retuerta DOP" appellation in 2022, the winery is now realizing its full potential, standing for wines with character, depth, and a unique identity.
